

through the present, including supporting documents regarding present or future pricings of the stock of PowerWise;

(4) Documents regarding: (i) the price of shares that were most recently issued and sold by PowerWise; and (ii) the methodology for precisely how the price of such recently sold shares was calculated;

(5) Documents regarding the issuance of additional shares, if any, including any documents concerning such stock issuances, such as minutes of meetings, reports, and memoranda concerning the future issuance of additional shares;

(6) Documents regarding PowerWise's settlements with Smart Energy International, LLC, including reports, memoranda, meeting minutes, or other documents that concern the settlement, and the pricing of stock or other assets of PowerWise that are part of the settlement;

(7) Documents regarding potential or existing markets that PowerWise is targeting for product development or product sales;

(8) Documents relating to any distribution agreements that PowerWise has, including any board meeting minutes and/or special committee meeting minutes related to the distribution agreement between PowerWise and Smart Savings de Mexico, S.A. de C.V.;

(9) Documents relating to any manufacturing agreements that PowerWise has, including any board meeting minutes and/or special committee meeting minutes related to the manufacturing agreement between PowerWise and Smart Savings de Mexico, S.A. de C.V.;

(10) Documents regarding estimates of projected sales, including the projected volumes and margins for such sales;

(11) Documents regarding each product of PowerWise, and whether different products are at different stages of development, and whether or not a particular product is pending certification or has already obtained certification to be sold in the marketplace.

The foregoing documents shall be produced pursuant to the existing Confidentiality Stipulation previously signed in this case between Defendant and Plaintiff - - which must also bind any expert that Plaintiff intends to rely upon to assist her in determining the value of her shares in PowerWise.

The Court shall retain jurisdiction to enforce this Order.
